Sir,

FINES: Compensation due to Local Bodies in lieu of Magisterial fines for the years 1942-43 and 1943-44 - payment of - sanction-orders solicited.

I request that sanction may kindly be accorded for payment to the Municipalities, District Board, South Kanara and the several panchaya Boards as detailed in the Annexure, of Rs.(1483-15-0) one thousand four hundred and eighty-three and annas fifteen only, being the compensation payable to them in lieu of Magesterial fines collected during the year 1942-43 and Rs.(3172-15-0) Three thousand one hundred and seventy two and annas fifteen only, relating to the year 1943-44.

2. The delay in the completion of this work was partly due to the many changes of hands in this office and the clerks who worked for short periods failed to take timely action as and when the statements were received in office. There were also numerous discrepancies in the figures furnished by the Magistrates concerned involving a good deal of correspondence before reconciliation and final verification by the sub Treasury Officers. Disciplinary action has been taken against the person responsible and they have been suitably punished. Regarding the compensation due for 1944-45, timely action is being taken and the amount will be paid very soon to the local Bodies concerned.

3. The delay in the payment for the previous years may be kindly condoned and sanction accorded for the payment of the amount as early as possible.

K Ghulam Hai

For Dt. Magistrate.

Ref: Government Endt.No.49505-1-HPH, dated the 2nd November 1945 referring for remarks letter No.Ref. C.2276/45-C.2, dated the 25th October 1945 from the District Magistrate of South Kanara regarding payment of arrears of compensation due to certain Local Bodies in South Kanara, for 1942-43 and 1943-44.

The amounts noted in column 2 of the annexure to the letter of the District Magistrate, South Kanara, viz., amount of credit, have been verified with the figures shown in the treasury accounts.

S.R.23-B under Treasury rule 16 on page 146 of the Madras Treasury Code, Volume I, requires that the detailed statement prepared for payment of compensation in lieu of magisterial fines should show the total amount of the annual credits and the refunds made during the year. The statements attached to the District Magistrate's letter do not contain information regarding refunds made to the local bodies during the year. It has not also been stated whether it has been verified that no portion of the amounts due have been paid previously. There is no audit objection to the payments proposed to be made to the local bodies being sanctioned by Government.
